Jungle theme

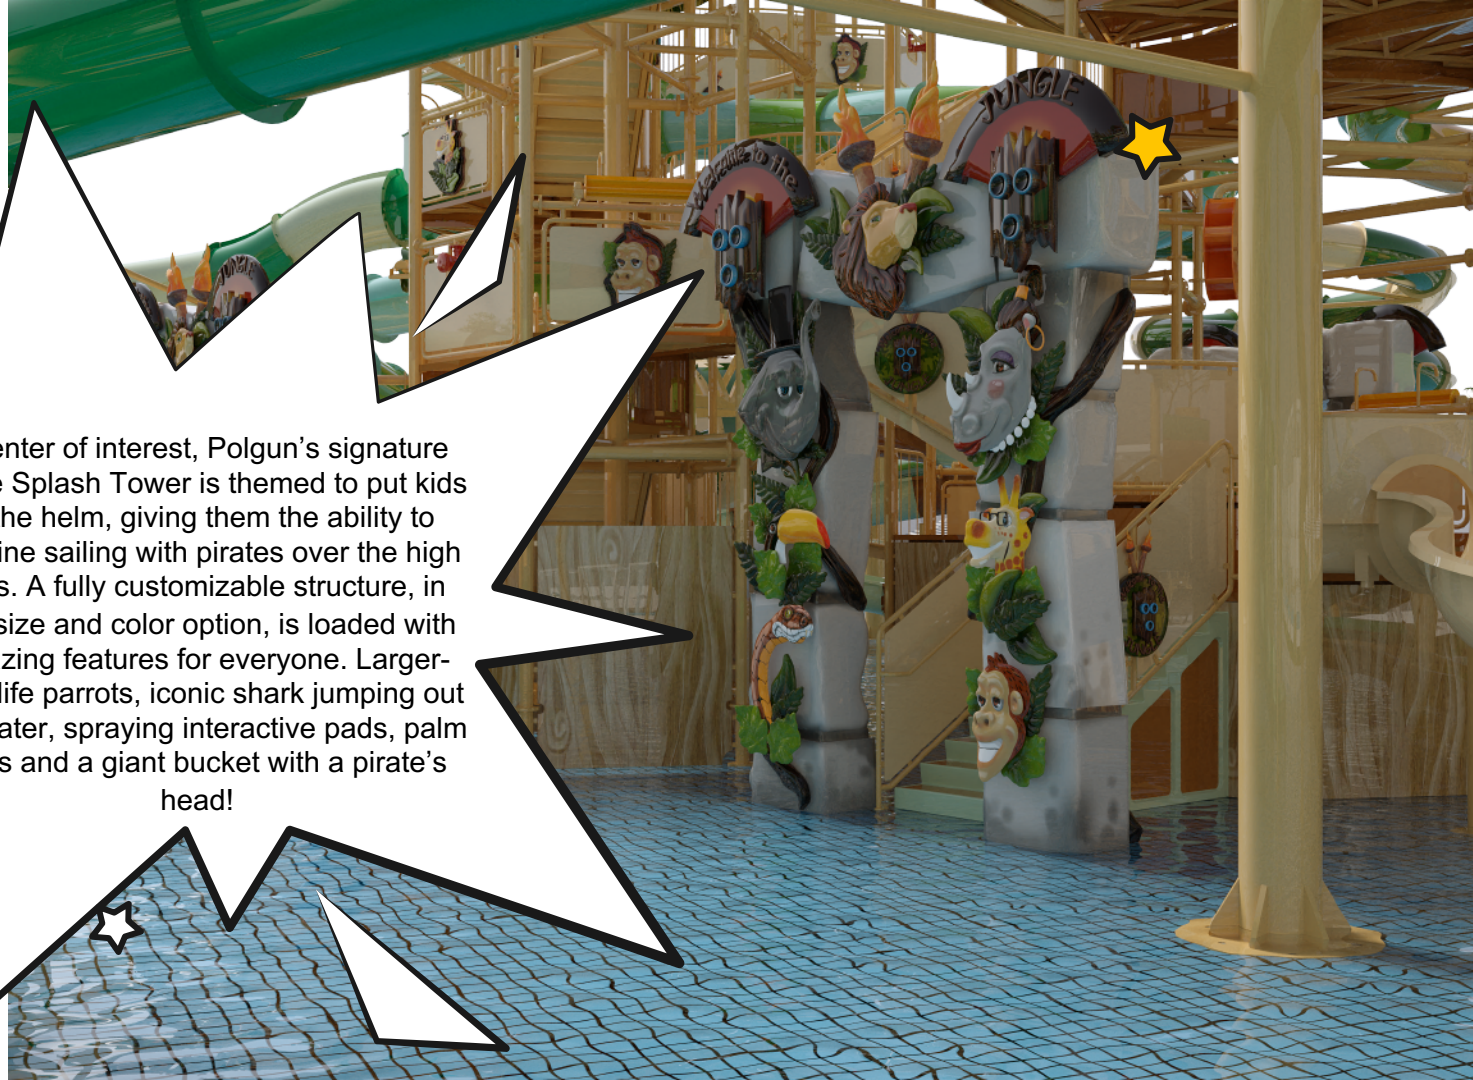

will get you “roaring”

A center of interest, Polgun's signature Pirate Splash Tower is themed to put kids at the helm, giving them the ability to imagine sailing with pirates over the high seas. A fully customizable structure, in any size and color option, is loaded with amazing features for everyone. Larger-than-life parrots, iconic shark jumping out the water, spraying interactive pads, palm trees and a giant bucket with a pirate's head!

Looking for a hunt in a Tropical Rainforest Jungle? Our totally unique Jungle Theme brings the magic of nature; the playful design features imaginative elephants, parrots, owls giant trees and squirrels for a fantastic experience to fulfill kids' dreams. Designed for a unique jungle view with brown color palette wood paints and graphics, our inspiration will get you "roaring" to go on a new splash experience with lots wild details.

03

Carnival theme

Colorful balloons candy
sugar lollipops

Conceptualize your splash tower with our Carnival Theme for children to experience the moment of disguising themselves as something magical. Colorful balloons candy sugar lollipops featuring carnival tent decor makes children feel like attending a dreamy carnival. The eye-catching color attraction of the carnival theme will be the center of interest for your little guests.

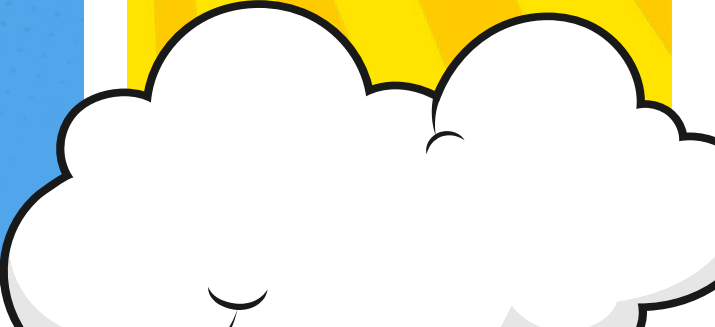

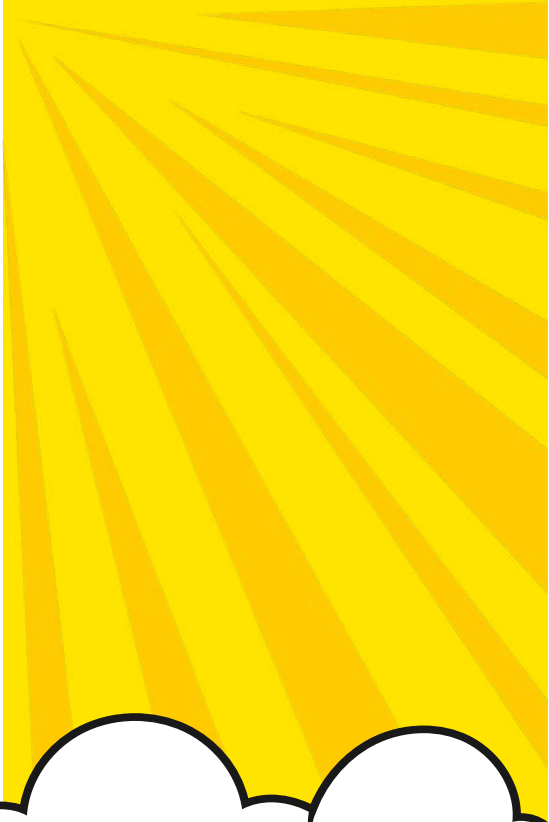

04

Candy Theme

Candy House of the Witch in the
tale of Hansel and Gretel

Imagine the Candy House of the Witch
in the original tale of Hansel and
Gretel. All children dream of a candy
house, walls of chocolate, curtains of
bonbons and door of wafer. Our
Candy Theme conceptualize a candy
house into a splash tower, where the
children enjoy the colorful attractions
and dream the tale of Hansel and
Gretel.

05

Galaxy Theme

4, 3, 2, 1...get ready for lift off

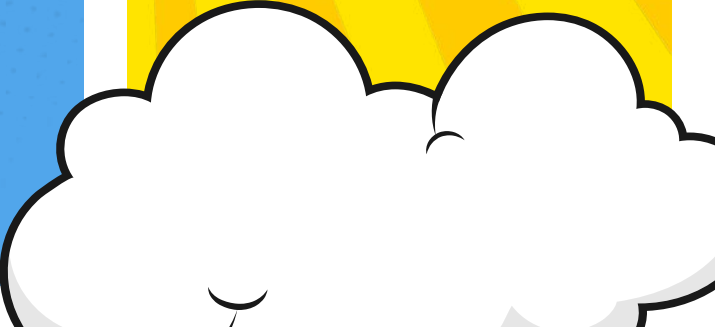

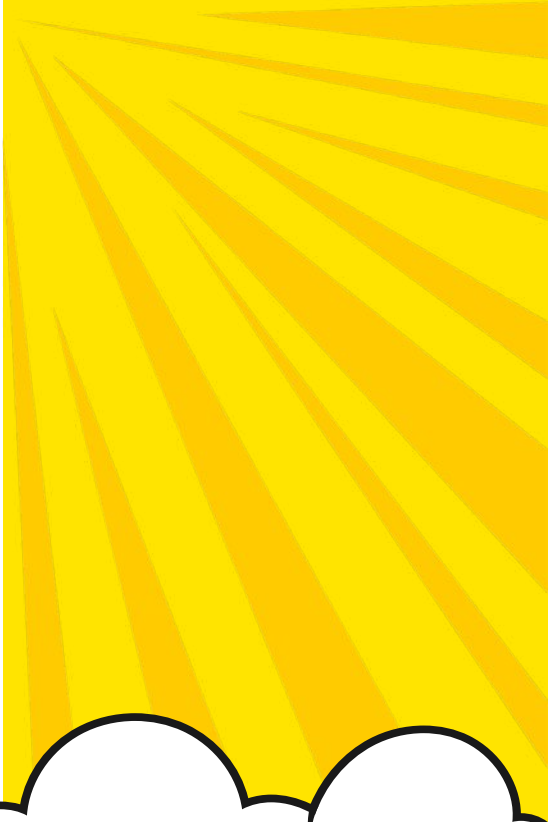

4, 3, 2, 1...get ready for lift off with our Galaxy Theme! Galaxy theme allow children to play, slide and explore the world of universe with conceptual animations. Unique theme provides an endless play in a land of aliens, rockets, planets and all things cosmic with stunning artistic details. The design concept aims to develop imagination skills to discover the unknown world of galaxies with our galaxy theme.

06

Underwater Theme

Candy House of the Witch in the
tale of Hansel and Gretel

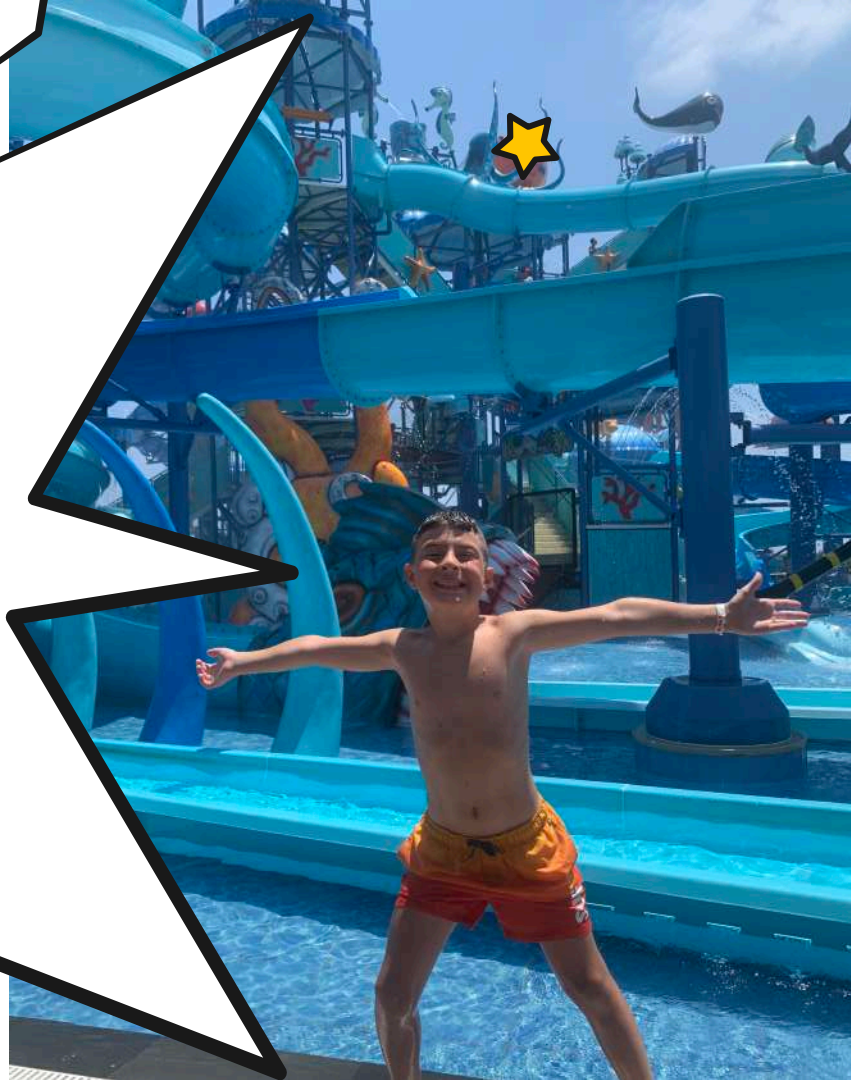

Based on the different species and colorful corals waiting to be discovered in the underwater world, the water park designed with the Polgun Underwater Theme has created a colorful environment that supports the imagination of children, excites them and makes them enjoy. All colors used in the water park are inspired by the living species and coral colors found in the underwater world. The animation products used are designed by characterizing the cute underwater creatures to support the theme.

07

Jurassic Theme

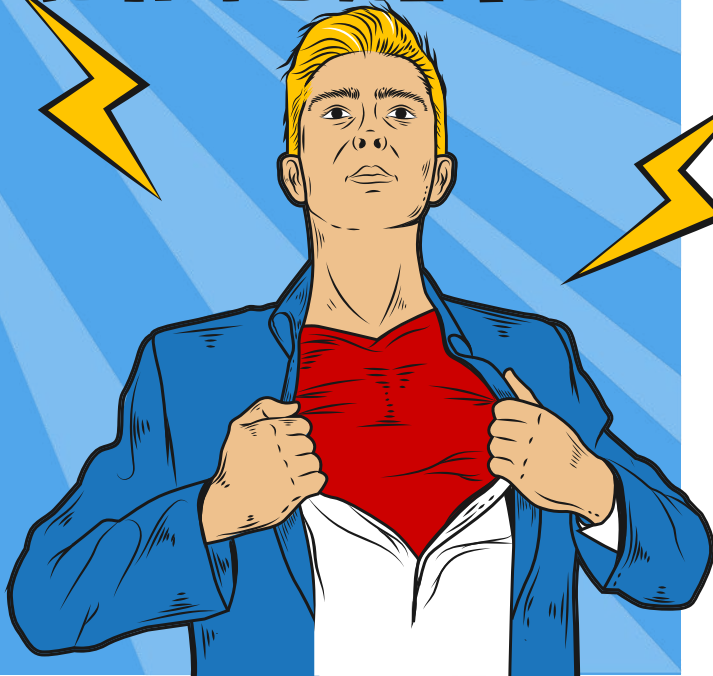

an environment designed as a
Mesozoic Era.

Some imagination are all it takes to transform your pool into a Jurassic Waterpark. Most of the kids love playing with dinosaurs, because they are so interesting to look at. Kids can learn a lot about biodiversity from looking at while having a good time in the splash tower. The Jurassic Theme features Apatosaurus, Dinosaur eggs, wild trees and baby T-Rexs; staged in an environment designed as a Mesozoic Era.
